- a. Administrative charges by the Board of Equalization and the Business and Transportation Agency have been deducted. These amounted to \$11,429,170 in 2005-06.
- b. Includes any administrative cost adjustment made during the fiscal year.
- c. Includes the City and County of San Francisco.
- d. Starting July 1, 1993, and prior to July 1, 1972, the actual cost of collecting \$100 in the fiscal year and the ultimate rate which cities and counties were charged.
- e. These are the amounts actually withheld during the fiscal year.
- f. Effective July 1, 2004, the local sales tax was lowered from 1 percent to 3/4 percent.
- g. Includes advances and payments for only ten months.
- h. Effective October 1, 1967, taxpayers were required to prepay state sales and use tax and were also required to prepay local sales and use tax. This resulted in a one-time windfall of \$19,250,000 during the 1967-68 fiscal year.
- i. Excludes \$595,317 that was collected in 1959-60 and impounded pending decision on litigation brought by the City of Commerce. This amount, plus accumulated interest, was distributed in 1962-63.
- j. Excludes \$3,825,750 advanced to cities and counties in the 1958-59 fiscal year out of receipts that normally would have been distributed in the first quarter of the 1959-60 fiscal year. This sum was distributed to help local jurisdictions whose sales tax receipts were running below expectations because of the 1957-58 business recession.
- k. Includes the \$3,825,750 discussed in the previous footnote.

NOTE: Excludes distributions to special districts; see Table 22B.
